**Admissions Requirements:** Acceptance to the Minor in Music program is based on an application/audition process. The student must a) be an undergraduate student with any major other than music who is in good standing with the University of Utah, b) complete and submit the Minor in Music Application form (available in the School of Music Office, 204 David Gardner Hall), including the approval signature from the advisor in the major department, and c) pass a performance entrance audition on their primary instrument/voice.

**Private Lessons:** All students must submit a completed *Private Lesson Application* at the beginning of each semester of study. The completed form, signed by the minor advisor, must be submitted to the Music Office no later than the third day of classes in any given semester. Applications received after that date will NOT be accepted.

**Performance Transfer Credits:** All credit in major conducted ensembles and private instruction will be accepted by the University of Utah, however, The School of Music requires that a minimum of one half of the degree requirement for performing ensembles and one half of the degree requirement for vocal/instrumental private study for all music degrees be taken in residence at the University of Utah. Auditions are required for skill-level placement for both performing ensembles and private study.

**Minimum Grade:** A grade of C or better is required for all music courses. Grades of C- (minus) or below in the Minor in Music program will not satisfy this requirement.
